

SOULSCAPE

END OF TERM UPDATE

WHAT WE DID IN THE AUTUMN TERM THANKS TO YOUR SUPPORT

Fuse: being part of a community

We ran a new project with Year 6s and 7s about being part of a community. We explored how to be kind to ourselves and each other, and discussed the impact that our actions have on other people. They got a lot out of it.

Object: the effects of porn

We brought 'Object' to a new school in Wargrave with the help of young performers from Reading's READ College. They were amazing! A Year 10 said: *"They made me feel very comfortable, it helped me a lot to talk about awkward topics with them."*

The Lounge: expanding our drop-in spaces

We now run six Lounge spaces per week across three local schools: Emmbrook, Bohunt Wokingham and Oakbank School just outside Reading. One student recently said: *"It's my favourite place and I never ever want to leave!"*

Thank you for supporting our young people with your giving, volunteering and prayers and **Merry Christmas** from all the team!
