

# SOULSCAPE

## START OF TERM UPDATE

### WHAT ARE WE DOING THIS TERM?

#### **More Inside Out: wellbeing through art**

We're working with Year 6 students from several schools on this innovative art project for a second year. They'll learn new techniques from a professional artist, creatively express their feelings and personalities and make new friends.

#### **Mind the Gap: starting secondary school well**

Our biggest project's coming up again - Mind the Gap will work with 17 schools this year! First we'll spend time with Year 6 students talking about Year 7 through fun workshops. Pray we connect well with them. We need lots of volunteers - get in touch!

#### **The Lounge: come as you are**

What young people often need most is a safe space away from the 24/7 pressure they face. We now run 6 drop-in Lounge sessions per week at 3 different schools. One Year 8 said: "This is my favourite place and I never, ever want to leave!"

Please come to the **Soulscape Quiz Night** on 20 May! Take on the rest of Wokingham, all for a good cause. Buy your tickets by 13 May at [www.soulscape.org.uk/events](http://www.soulscape.org.uk/events)

*Thank you for supporting our young people with your giving, volunteering and prayers!*
