

Termly Round Up!

It's officially Spring and it seems to make us feel happier and more optimistic. Much needed after a very busy term!

REAL workshops with year 9's, talking about self-esteem, making good decisions and the relationships we have.

REVIVE Church Walking Tour with year 7's. The weather was dry which was a relief and the highlight for us was when students got excited about the Baptist Church having a hot tub!

OBJECT has been touring across Berkshire. We've had some great conversations with year 10's. Thinking about the impact watching pornography can have on ourselves and our relationships.

CAKE welcomed to some new bakers! This is always very much appreciated.

Thank you to All Saints Mothers Union for gathering and preparing the resources for **PAUSE** next term.

Also, thank you to everyone who supported our Charity Coffee Morning and St Patrick's Day Quiz. I think we can agree they were both great fun!

We'd like to thank everyone for their support this term! Youth workers, our regular volunteers, all joining the team and stepping up when we needed extra hands on deck.
