St Paul's Church, Wokingham
St Nicholas' Church, Emmbrook

Welcome in the name of Jesus Christ to this house of prayer, especially if you are with us for the first time.

Anybody, of any age, who has been baptised in any Christian Church, is warmly invited to receive the Eucharist here. You are welcome to receive the bread and the wine, or, if you prefer, to take the bread only.

Come forward down the central aisle and then return to your seat down the side aisle. Please tell the priest if you need a gluten-free wafer. If you'd prefer to receive a prayer of blessing please come forward with everyone else and keep your head bowed at the rail.

We are a Church family committed to welcoming all those who come as God's precious and beloved child, whatever their age or race, sexuality or experience, background or confidence in Church. We only become the Church God is calling us to be when everybody is made welcome and everybody is freed to contribute and join in.
Welcome home.

Collect Lord, you have taught us that all our doings without love are nothing worth: send your Holy Spirit and pour into our hearts that most excellent gift of love, the true bond of peace and of all virtues, without which whoever lives is counted dead before you. Grant this for your only Son Jesus Christ's sake, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. **Amen**

Post Communion Loving Father, we thank you for feeding us at the supper of your Son: sustain us with your Spirit, that we may serve you here on earth until our joy is complete in heaven, and we share in the eternal banquet with Jesus Christ our Lord. **Amen.**

Our 19yo son James and his friend Jamie are going to be cycling more than 500km home from university at the end of this term from Durham, about 30km south of Newcastle, to Reading in Berkshire. All in under 48hrs, starting early on 25th June. This project is all to raise money for @spectrum0gaming , a charity which provides an otherwise scarce social network for autistic young people. Predominantly, the charity runs an online community within which people can bond and have fun through the medium of gaming and other activities. All money donated will make a huge difference to the lives of many individuals, who without this support can find their mental health a real issue. The links for donations and to follow his progress can be found on the latest Bertie email or from the office. *Susannah & Vernon Riley*
